To Whom It May Concern,

Throughout the past three and a half years, we the Tawhiti kindergarten teachers have had business transactions with Joe Bray of "Got It Covered".

Joe and his staff, Anthony and Nathan, have been responsible for the care and maintenance of our sunshades. They have also repaired our well used veranda curtains on several occasions. Joe has supported us in our recycling of a sunshade and relocating it to a different area.

We the teaching team at Tawhiti kindergarten find Joe to be extremely reliable, trustworthy and diligent with each job we have asked him to complete. Throughout his work, Joe has shown his high standard of professionalism along with his diligent work ethic.

Joe is co-operative, flexible and an extremely friendly person who is easy to get along with and makes us feel at ease immediately. In emergency situations for example wind damage to our sun shades, Joe promptly comes to our assistance ensuring the repairs are completed, guaranteeing our children are safe from the sun whilst at kindergarten. We truly appreciate Joe's on going support and reliability.
